Dear Clerk,

I am Jeremy Huttmar Sr., plaintiff
 under cause # 3:19-CV-169-JD-MGG.

I am currently quarantined at Beckley

 a federal halfway house in Michigan City,
 Indiana. This letter is to inform the
 courts of my change of address as
 follows:

 Current: P.O. Box 350
 Beaver, WV 25813

Starting PACT Bradley Center
 9/29/2021: 132 E. 6th St.

ALSO

I am in receipt of the defendant's
 status report concerning dates about
 "joining parties," "discovery plan," and
 "dispositive motions" but I am
 unsure how to answer. I will do
 my best.

- 1) Joining Parties. - Plaintiff proposes that the last date plaintiff may seek permission to join additional parties and to amend pleadings is December 1, 2021.

Plaintiff proposes the last date defendants may seek permission to join additional parties and to amend pleadings is January 1, 2022

- 2) Discovery Plan. Plaintiff only proposes that the date for discovery deadline be discussed at a later date so that plaintiff can get out of prison and search for counsel in this matter.
- 3) Dispositive Motions. Plaintiff is currently trying to find out exactly what ~~the~~ dispositive motions are so he can answer properly.
